

# TelAgenda

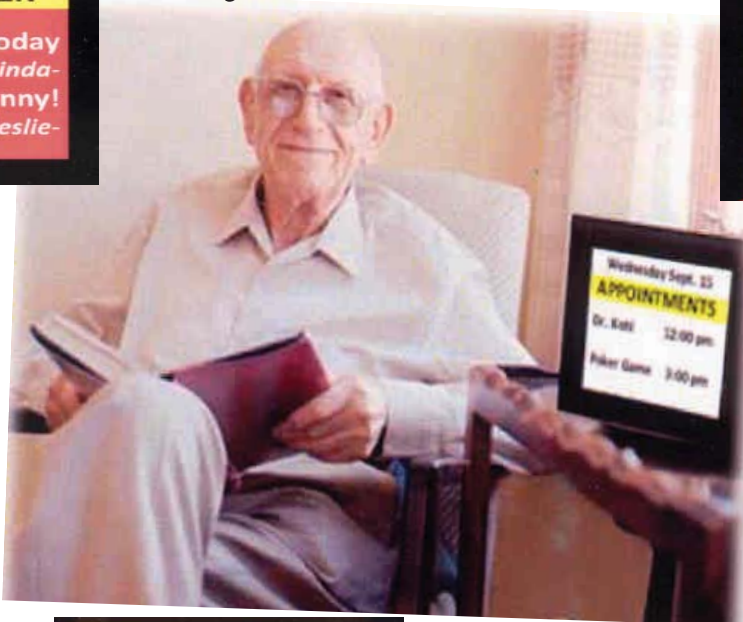

**Helping you and your family and friends keep in touch with your loved one.**

In-room Digital Frame Display for messages, schedules or updated photos from family and friends.

**Great gift idea for your loved one.**

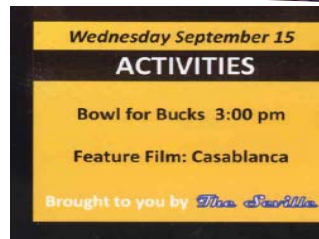

*Plugs into a phone line.*

*A senior does not need a computer or internet.*

Helps lonely or depressed seniors to have increased family contact.

Increase awareness & participation in daily activities.

Facility staff can post daily messages like activities, menus, medication schedule, news and weather.

Seniors will receive a free digital frame when family members purchase a subscription. The subscription allows an unlimited number of family and friends to access the TelAgenda website to send messages from their computer to the digital frame. The senior only needs to have the frame plugged into an existing phone line to receive the messages and emailed photos.

\$299.00 for a 1 year subscription

\$215.00 for a 6 month subscription
