

Sea Bay Game Company

introduces the

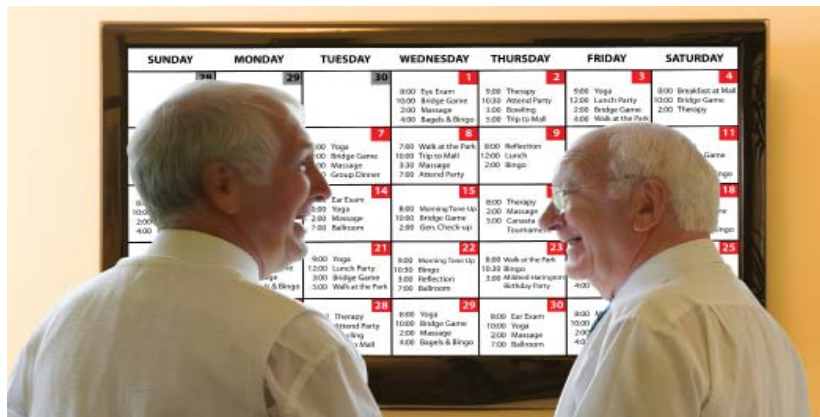

Keeping Seniors in the Know!

Low Cost!!!
Large Screen Digital Display
System

**Calendar/Date and Weather Board/Message Board/
and optional Bingo Display**

4 IN 1

4 IN 1

**Bring your facility into the 21st Century with the
TelAgenda Digital Calendar/Message Display System.**

- No more** paper calendars and posters on the walls. Residents, families and friends will be impressed by the beauty of the digital calendar and attention getting messages as they scroll on your large flat screen TV in common areas of your facility (use an existing TV or purchase one the appropriate size for your needs).
- Spend less time** preparing your monthly calendar and more time with your residents. The TelAgenda calendar program is fast and easy. You can enter or edit information at work or at home from any computer with Internet Explorer. The information displays on the appropriate day. Your calendar will display as a clean, neat, crisp digital screen. You can print the calendar from your computer for a paper copy.
- Easily add any message screen** you need such as Welcome, Birthdays, Daily Announcements, Menu etc.
- Allow families** to access the monthly calendar by simply adding a link to the facility web site.
- No more** changing cards on date or reality orientation boards every day. A weather and date screen automatically downloads each day for your city.
- The dietary and nursing staff** can also access the TelAgenda web site if a menu or health screen is desired.
- Residents will love seeing the photos** from their parties and events. Just download and add text.

The TelAgenda must have internet connection by hard wiring to your network or attaching a wireless adapter to the player if your facility has WiFi.

(By simply changing the input on the TV you can watch regular TV programs or DVDs.)

For more information call 1800 568-0188

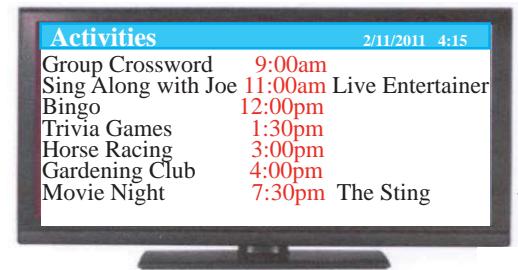

Sample basic screen designs which scroll throughout the day on a flat screen TV in common areas of your facility.

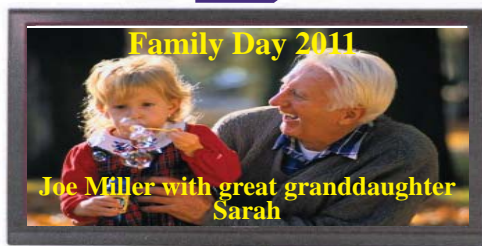

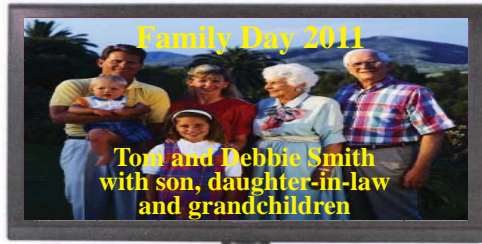

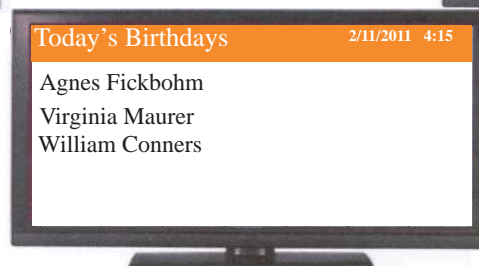

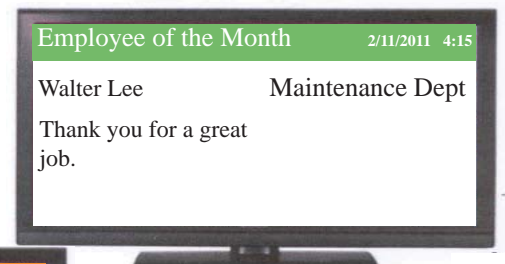

A date and weather screen automatically downloads for your city. The weather updates throughout the day.

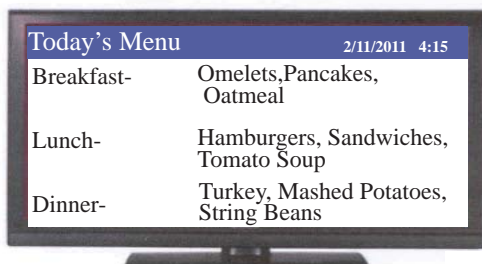

An activity screen for the day automatically displays with the activities scheduled from your monthly calendar.

Then add any number of additional screens, just choose a heading and banner color. .

Download your photos and easily add text to have personalized screens scroll.

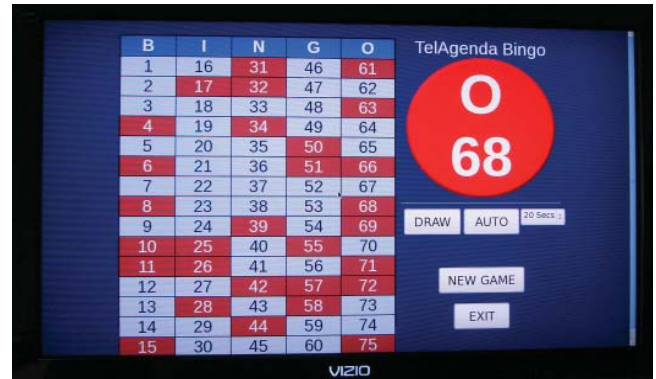

Dietary staff can access the web site to post daily menus. Menus can be done ahead of time and scheduled for day to appear.

Bingo Package

Play Bingo on your TV screen with the TelAgenda system. No more balls, cages and master boards. Numbers randomly display on the screen. You choose either automatic ball draw and the number of seconds between each draw or manual ball draw. Drawn balls are automatically highlighted on the displayed master board.

P900G- Bingo Game Package - Initial year FREE trial. Subsequent years \$49.99/yr

Custom Screen CD

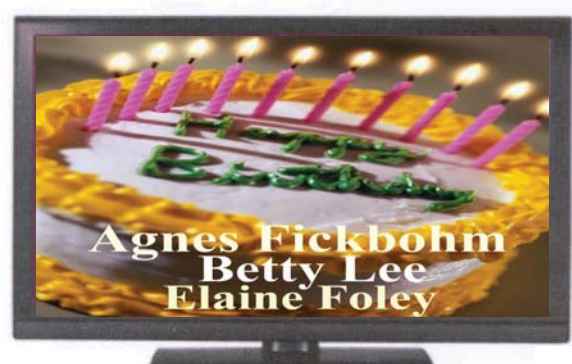

Also available is our Custom Screen CD which provides you with over 50 background images to use. With the TelAgenda link to a photo editing program you can add text to these images. You can easily create any custom screen. The Custom Screen CD contains various landscapes, seasonal, holiday and color images. Your custom screens are then easily downloaded to the Telagenda and will scroll after any of the basic screens that you choose to use.

P900C- Custom Screen CD \$19.99

1 custom screen CD can be used on multiple units.

*Create your own
customs screens!*
